New Additions to our School Garden

We have added a compost bin and a rain barrel to our school garden! Both will enhance our Horticulture and Ecology lab.

Across the Campus Spotlights

Engaging Lessons & Learning...The Evergreen Academy Way

First Graders Learn About Sound During Visit to Soundbridge

As a complement to our sound and light unit in science, we went to Soundbridge, the education department at the Seattle Symphony. Students learned about how sound is made through vibrations and identified what vibrated on different instruments. Students were encouraged to play various instruments as well as complete a STEM activity where they had to create their own instruments! It was a great morning in Seattle! Thanks to the many parents who volunteered to make this event so successful!

Looking ahead...

Seahawks Monday

The Seahawks are on Monday Night Football on October 5th. Show your support of our beloved football team by wearing your best Seahawks gear to school on Monday!

Fall Fundraisers

We have two school fundraisers planned for October. Our very popular Cougar Mountain Cookie Dough sale and new this year, Yankee Candles! Both offer a wonderful selection of items that make great gifts for family and friends. Be sure to check your child's Friday folder in the coming weeks for sales brochures and orders forms.

Professional Development Day

School will not be in session on Friday, October 16th so that our faculty may participate in their first professional development day of the school year. Camp will be available for students at a cost of \$50 for the day. A registration form will be sent home with students in Friday folders next week.

Picture Days

Representatives from Lifetouch will be on our campus October 19th and 20th to take individual student and class group pictures. Students have privileged dress on Monday, October 19th for their individual photos and everyone must wear their best uniforms on Tuesday, October 20th for class pictures. Grade level teachers will notify parents of their class picture day schedule prior to these events.

Volunteers Needed for OPT Event

Our annual OPT Pumpkin Carving and Trunk or Treat event will take place on October 28th and your help is needed to make this evening a success! Please look for a flyer in your child's Friday folder today with information on how to sign up to volunteer. Thank you.
